

# EMDR SINGAPORE PRESENTS

## Functional Neurological Symptom Disorder and EMDR Peer Learning Session

*Topic: Do not swear by the moon, for she changes constantly. then  
your love would also change.*

**2 March 2019 | 10:30AM - 11:30AM**

55 Waterloo Street #02-00  
Singapore 187954  
CANA Emma Room

**Synopsis:** Just like Romeo and Juliet, death strikes and separate a pair of love birds. One is tethered to the underworld while the other leads a souless existence roaming his remaining years. Why should he keep going? What happens when his mind wants him to give up physically?

The mind is a powerful organ. It can manifest sadness and guilt in physical forms. Many are mystified by their lack of understanding of Functional Neurological Symptom Disorder (Conversion Disorder). This presentation will demonstrate how the resolution of an psychic knot can lead to a full recovery of Functional Neurological Symptom Disorder.

### **About the Speaker: Robin Goh**

LTC (DR) Robin Goh is a Military Consultant Psychiatrist in the Singapore Armed Forces (SAF) and a Consultant Psychiatrist in the Institute of Mental Health. He held key appointments in the College of Psychiatrists and Singapore Psychiatric Association.
